Swim Academy Guidelines 24th September 2020

Under the new UK Government's law of not meeting more than six people indoors and outdoors, Richmondshire Leisure Trust have had to make the following changes to the use of the facilities at Richmond Swimming Pool during Swim Academy times.

The Changes are: -

- Please enter the building from the Station side of the swimming pool
- Any person over the age of 11 must wear a face mask in the building
- Do not arrive more than 5 minutes before the lessons start and make your way straight onto poolside once you're ready for the lesson
- NO spectators will be allowed within the building but please remain close by at all times
- Where possible child/children need to come "beach ready" for their lesson
- NO showers will be available during the Swim Academy times
- Please change your child/children as quickly as possible and leave this area no more than 10 minutes after the lesson has finished
- Please leave the building by the back door (Liberty Health Club side of the building)

Thank you for taking the time to read through the guidelines. There is a lot to follow and a lot of patience is going to be needed.

We have worked really hard to put everything in place to make Richmond Swimming Pool safe so with kindness we ask you to support these guidelines and follow them.

It is not forever and we will constantly revise and revisit the guidelines as times change and we slowly get back to normal.

Thank You
Richmondshire Leisure Trust
Richmond Swimming Pool Team
